SVIK|ASCI-Rating 2019: Test stand with a tradition for internal and integrated communication - open now

Bern, 7.05.2019 – The Swiss Association of internal and integrated Communication (Schweizerische Verband für interne und integrierte Kommunikation/Association Suisse de la communication interne et intégrée [SVIK|ASCI] is celebrating its 75th anniversary on 21th November 2019 in Zurich.

SVIK|ASCI has a long tradition in testing internal and integrated business communication. All rating steps are documented and hearings are held with the jury in November 2019. The SVIK|ASCI Rating is open to business, to NGOs, administrations and all other organizations.
